

How to Upload a Blog on a Zenu Website

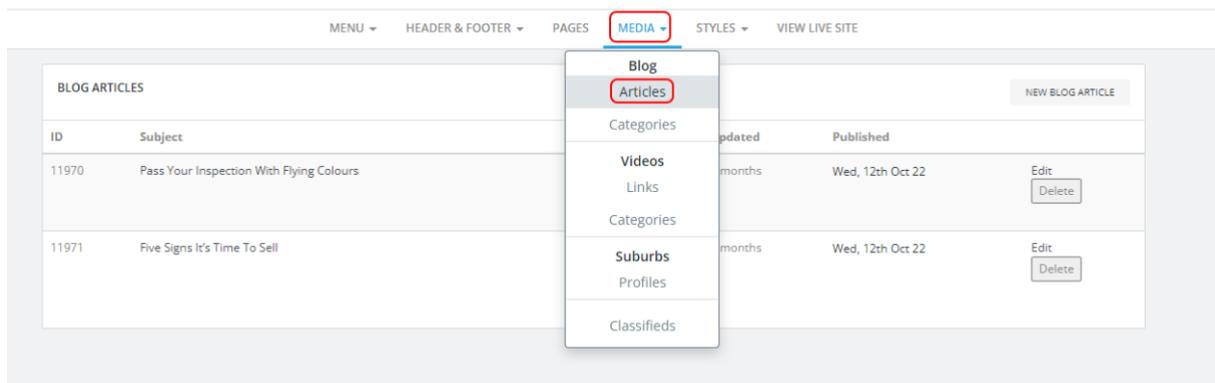

If you've never uploaded a blog before, you must first set up your categories. Basic real estate categories should include *Buying*, *Renting*, *Selling*, and *Investing*.

Type the Category required - this is so blogs can be sorted or displayed.

To add a new blog, click on Media → Articles → New Blog Article

Headline Pass Your Inspection With Flying Colours
Body Regular inspections are a necessary evil for tenants. Still, as inconvenient as they can be, they are a prime opportunity to show your landlord that you're looking after their property.
Blurb To take the stress out of inspections, you can take a few easy steps to prepare your space and pass that inspection with flying colours. Regular inspections are a necessary evil for tenants. Still, as inconvenient as they can be, they are a prime opportunity to show your landlord that you're looking after their property.
